2019 Scholarship Program Information

The Prince Hall Memorial Education and Scholarship Fund (PHMESF) is offering scholarships of \$1,000 for qualified students in each of our masonic Districts. One scholarship for \$5,000 will be awarded to the most outstanding student. These awards recognize academic achievement and provide assistance based on financial need. These awards are made to students attending four year colleges and universities, community colleges, or vocational schools.

The \$1,000 award is payable in two installments, with the \$5,000 award paid in equal payments over 4 years. All payments are contingent upon the maintenance of at least a "C" or 2.0 grade point average per semester, or certification of satisfactory progress. Award payments are made directly to the student.

Students are responsible for sending updated address information, verification of enrollment and income, transcripts, or enrollment certification by the stated deadlines in order to receive their award payments.
